Dear Friends and Neighbors,

I hope that you are all enjoying the final month of summer! Many of you have added beautiful flowers and plantings to your beds that are in full bloom and the neighborhood looks wonderful!

It has come to my attention that there are dog walkers out-and-about who may be forgetting their plastic disposal bags. Leaving a “gift”, especially if your dog is large, is unfair to those who are not dog owners as well as to those of us who own dogs and forever walk around with bags in our pockets!

IT’S COMING! MY FAVORITE EVENT OF THE SUMMER! It is time for the Bristol View Homeowners’ Association Annual Picnic! Shortly, you will find a flyer under your mailbox. It provides all the details for this great activity. The food is great, the laughter is plentiful and the chance to spend time with friends, both new and old, is priceless.

As always, if I can be of any assistance, please do not hesitate to send me an email. I will do my best to help you find a solution, answer a question (even if you may not like the answer), or clarify something of which you are unsure.

See you at the picnic!

Linda Marino
